RE: NOTICE OF NON-COMPLIANT AMENDMENT

10-12-2005

Attn: Gloria Porter, Legal Instruments Examiner
Cc: Harry B. Tanner, Primary Examiner

To avoid confusion as to claim status, I am re-submitting the claims with status identifiers noting all "New", though the subject matter is existing and has not changed. These claims were renumbered per instructions from the Primary Examiner from an original set of elected claims entitled Group II to facilitate the reading and entry of the claims. These were reordered and originally derived from the following claims:

Claims 126, 187, 188, 195, 196, 199-204, 219, 272-291 and 296-298, claim 272 being noted as claim 310 or the first in this grouping.

I hope this response will resolve any outstanding issues with compliance, although these were previously discussed and may be waived by the examiner.

Thank you once again,

Daniel Stanimirovic, Inventor
